

Village of Pinehurst Health and Wellness Screenings

Date of Event: September 4, 2019

Time/Location: 6:30 a.m. – Public Services
8:00 a.m. – Assembly Hall

What does the screening include:

- Checks kidney, liver, and other organs function
- Screens for high blood pressure, risk of diabetes, high cholesterol, and prostate cancer (men age 55 to 69)

Why is it important?

- Raises awareness of potential health risks
- Identifies medical issues before they become a larger problem

Additional details:

- All FCC members employed by the VOP are eligible to attend at no cost!
- Please fast for 8 hours prior to the screening
 - Fasting: water and black coffee only
 - Please drink water before the event
- Registration via the intranet is required prior to August 28, 2019. [Click here](#) to register.
