

Temporary Power

Fee: \$80
(Revised 02/2020)

Permit Information

Conditions as per 2017 National Electrical Code (NEC), Article 10:

1. All permits for all trades have been obtained for construction of this structure.
2. Power shall be limited on construction to permanently install HVAC equipment and GFCI protected devices.
3. The panel board and HVAC equipment covers will be kept on at all times.
4. It is the general contractor's sole responsibility to ensure proper and safe use of the energized electrical system. If the following stipulations are not met the temporary power will be disconnected and the privilege of temporary power will not be extended to the contractor again.
 - a. If there is any unsafe use of the electrical systems or the electrical system becomes a safety hazard.
 - b. The building cannot be occupied prior to the certificate of occupancy.
 - c. Furniture may not be moved into the building prior to issuance of the certificate of occupancy.

This application must be completed in full and submitted with the associated fee listed in the Village's Fees and Charges Schedule, which can be accessed at www.vopnc.org/Home/ShowDocument?id=10100.
