

Mother's Day Heart Project

Supplies Needed:

Construction Paper

Scissors

Stapler

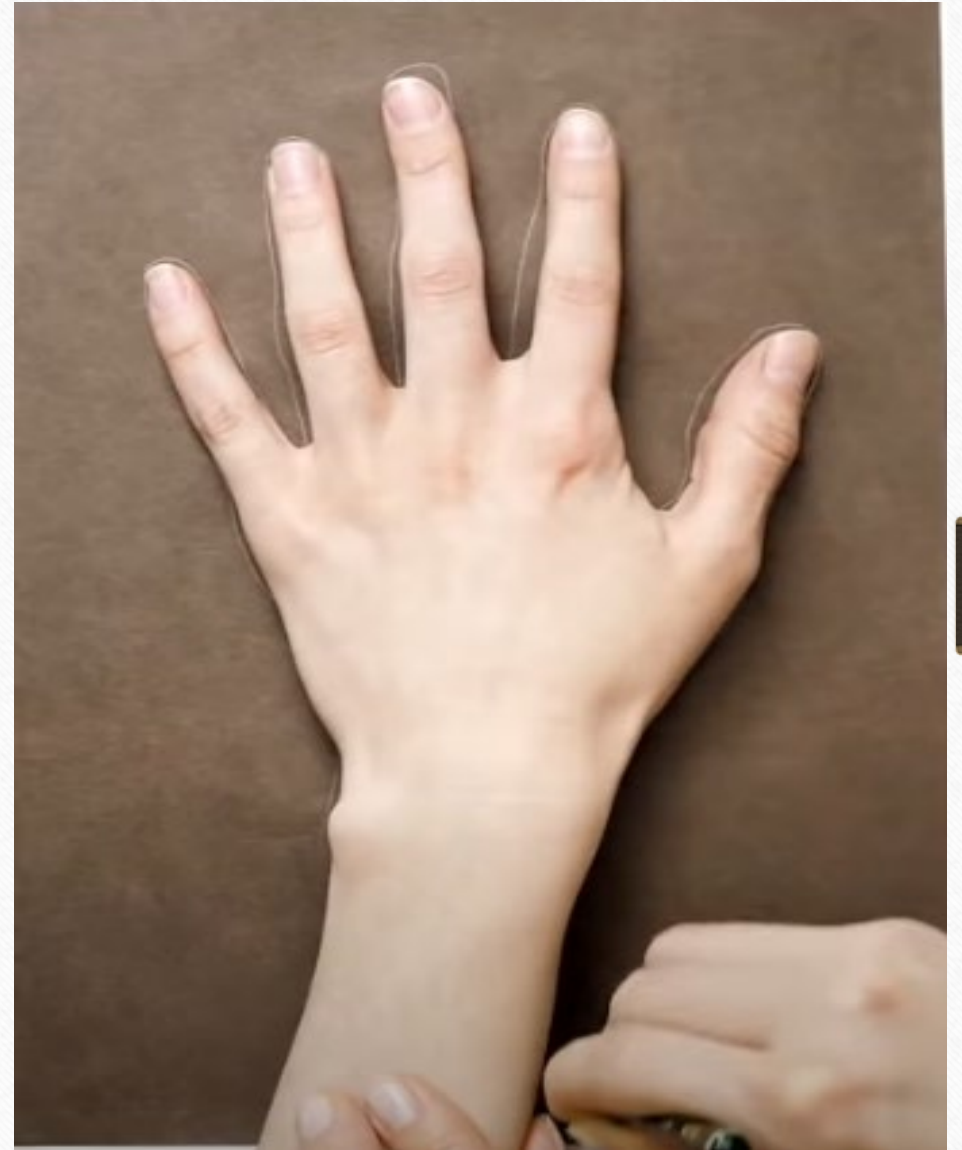

Pencil

Glue

Step One

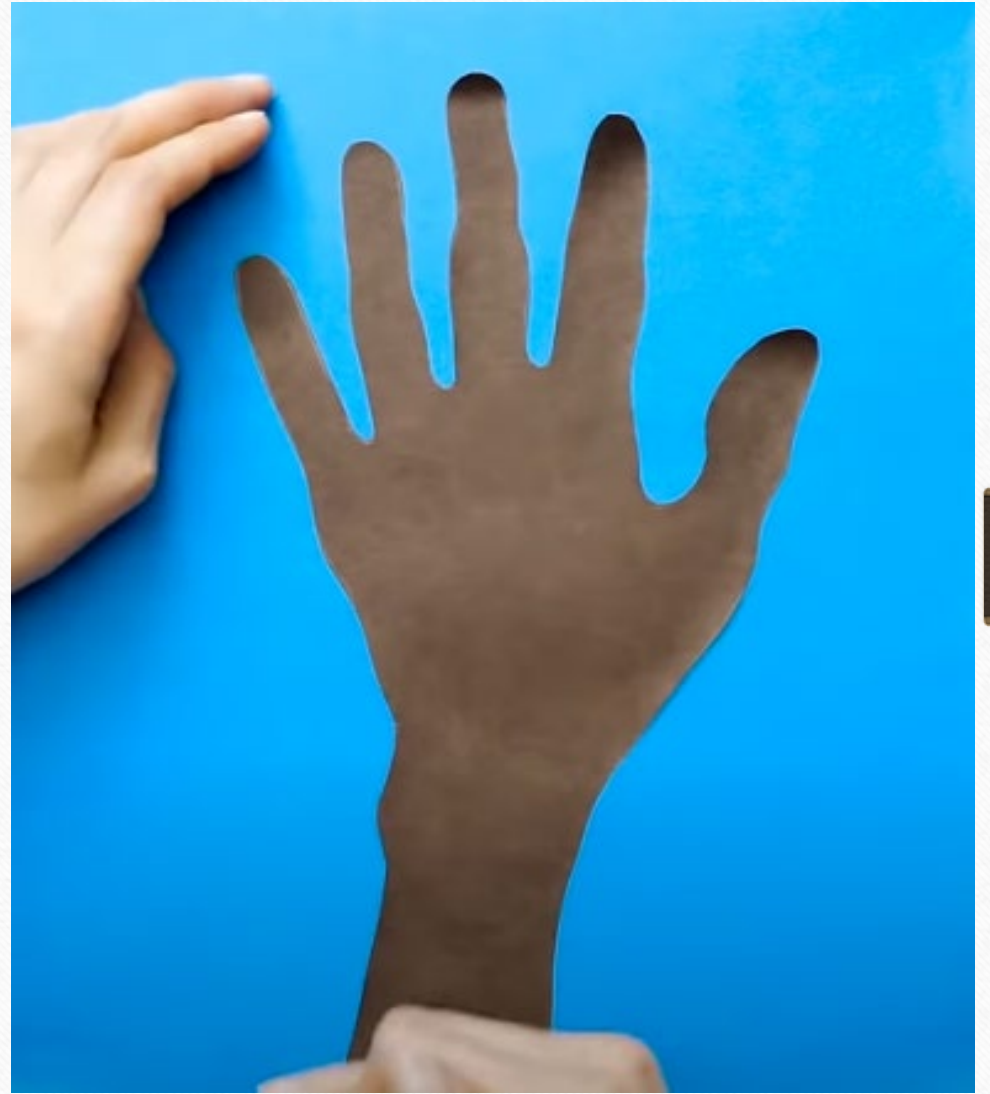

Trace your hand on a brown sheet of paper.

Cut out your traced hand.

Step Two

Glue your cut out hand onto a piece of blue paper.

Step Three

Cut out some grass to glue at the bottom of your paper.

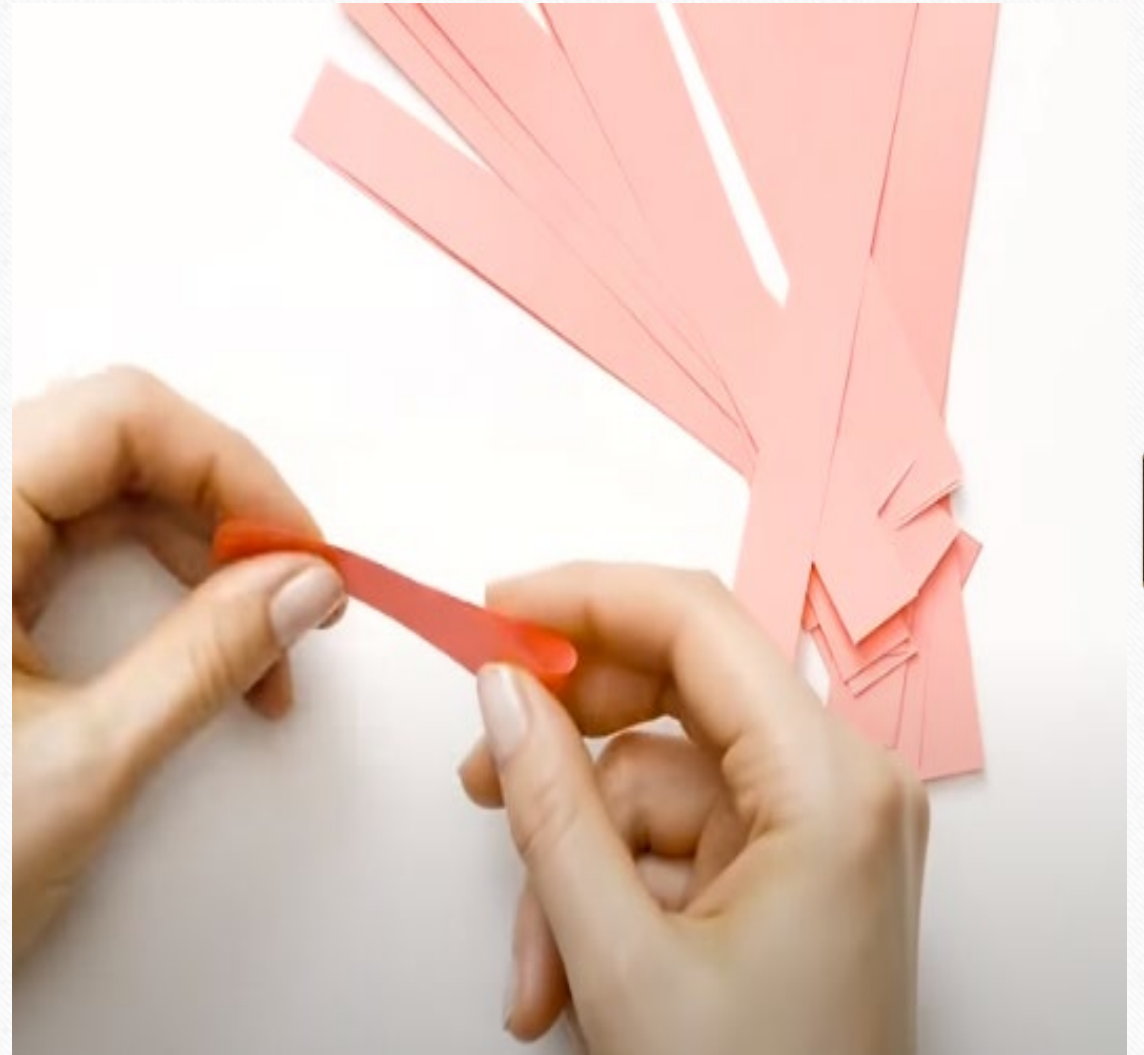

Step Four

Cut out about 20 strips of pink paper 4" long.

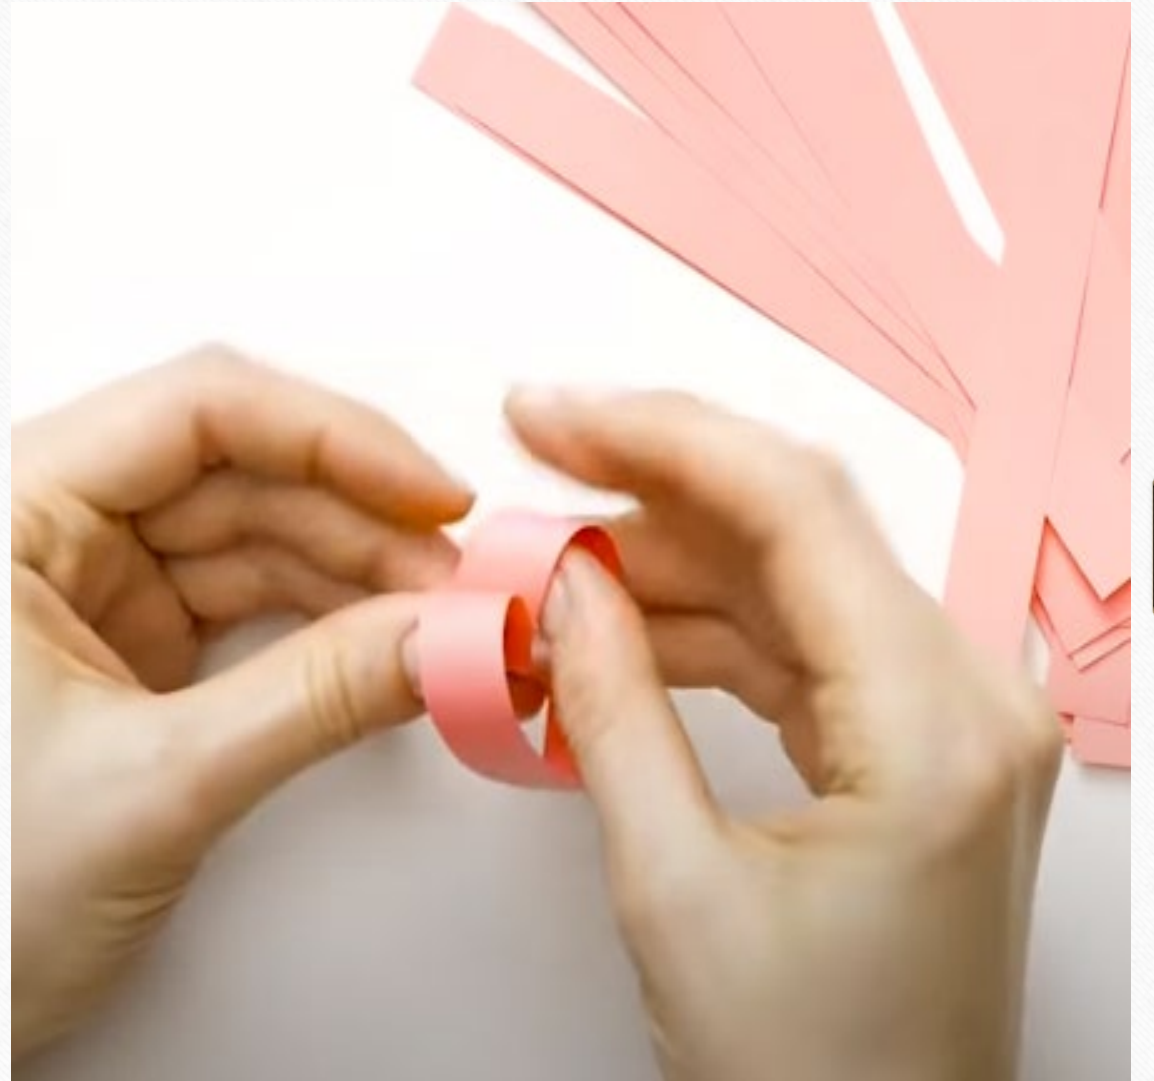

Step Five

Fold each strip of paper in half.

Step Six

With the folded edge at the bottom, bring the two open ends together to form a heart.

Step Seven

Staple to two ends together.

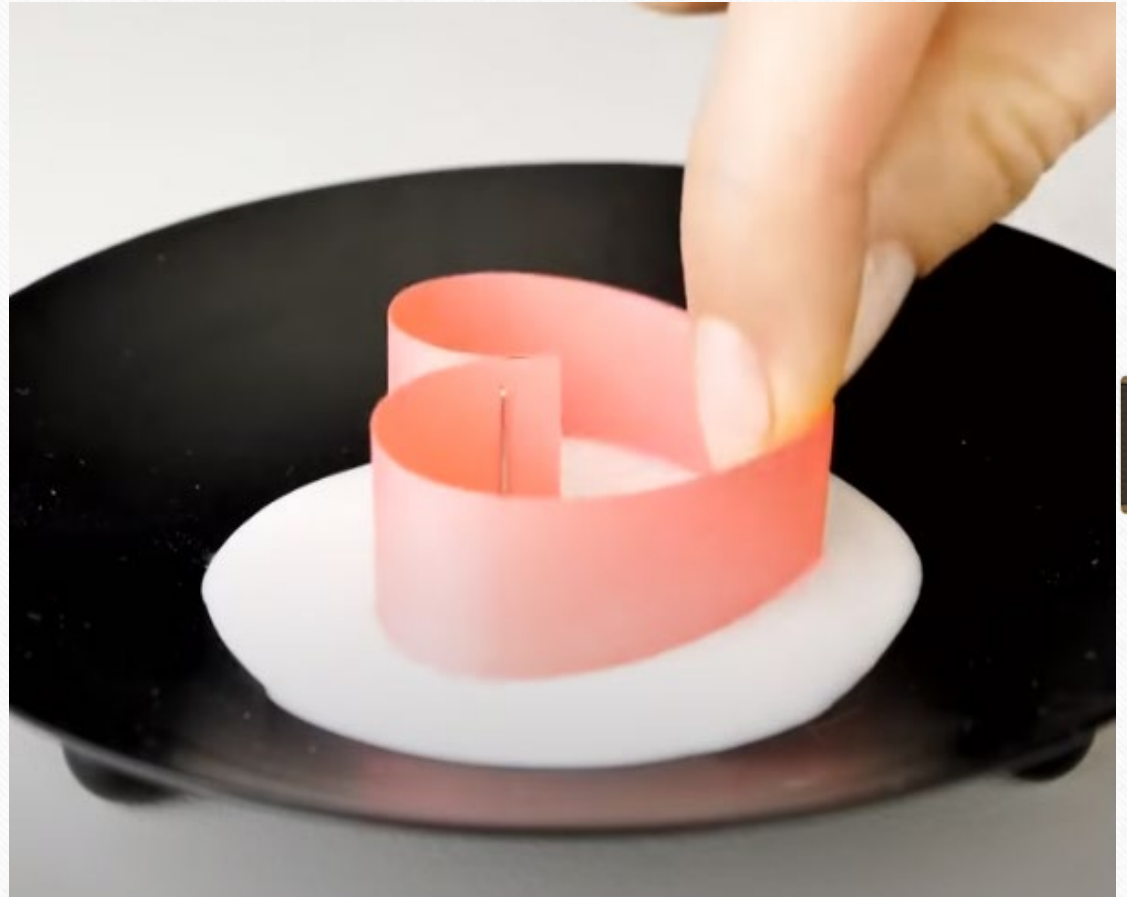

Step Eight

This is what a completed heart will look like. Continue until all hearts are made.

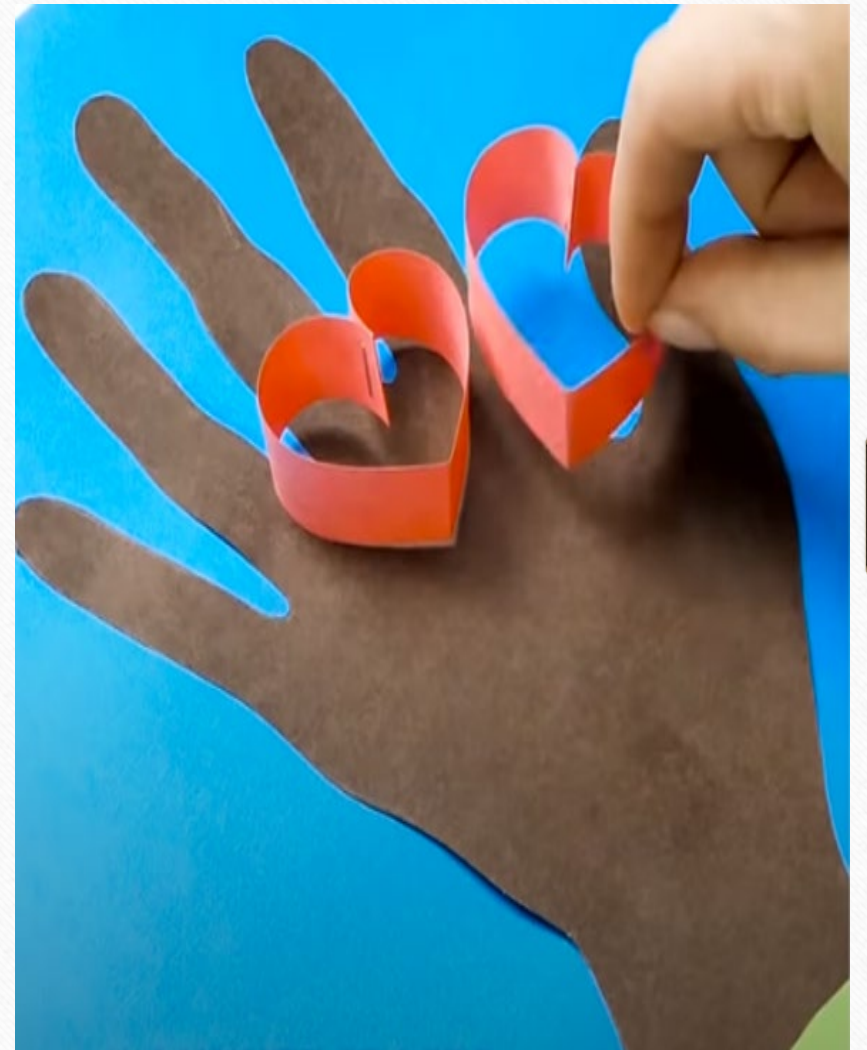

Step Nine

Pour glue onto a plate. Individually dip hearts into glue and then place on your tree.

Step Ten

Glue on hearts until your tree is full.

**We love our mothers with
all our hearts!**

**Happy Mother's Day to
all the moms out there!**
