

Pinehurst Parks and Recreation

CLUE!

Parks and Recreation Director, Mark Wagner, has made a terrible discovery! When making sure everything was in place for the Community Center to open back up he noticed all the basketballs from the gym were missing. We cannot re-open the Community Center until we have our equipment back. The only people who have access to the building are the Parks and Recreation staff...who could it be?

We need your help! Are you a good enough detective to figure out which Parks and Recreation Department employee has all the basketballs? Who did it? How did they get away? How did they carry everything out the door? Clues have been hidden in **Tufts Memorial Park, The Village Arboretum, Rassic Wicker Park** and **Cannon Park** to help solve this crime.

Search high and low for paper clues within the parks that mention either a suspect, vehicle or carrier that **wasn't** used in the crime. You will need to explore each park to make sure you don't miss any evidence. Be sure to maintain appropriate social distancing while you investigate and please don't touch or remove the clues!

Once you have figured out this mystery be sure to visit the Village of Pinehurst Facebook event page and post that you solved the crime! **DO NOT** give away the answer online, we want to keep the fun going and give everyone a chance to figure it out. Email mmcdonald@vopnc.org with your guess on the P&R staff, escape vehicle, & how they got everything out the door! We will be raffling off a few P&R prizes to the families who guess correctly.
