

# Minute to Win It Monday's!

Think you've got what it takes to win? Challenge someone in your house or a friend virtually to see who gets bragging rights each week.

**Penny Tower:** How many pennies can you stack in one minute using only one hand? Whoever has the highest tower wins! Complete this in a minute or less to move on to next week's challenge!

Remember to tag us @vopnc in your photos and video clips so that we can share in on the fun!
