MEMORANDUM

TO: Prospective Bidders

FROM: Mike Apke, P.E.
Public Services and Engineering Director

SUBJECT: Addendum # 1
2021 Annual Street Resurfacing & Improvements
Village of Pinehurst

The following information will serve as Addendum #1 to the referenced bid package. **Please review all items, sign in the appropriate spaces at the end of this document, and include this document/acknowledgement in your bid submittal.**

1. **Bid opening date/time change** – Please note that the bid opening for this project has been extended by one (1) day and will now be held on **Wednesday, August 5th, 2020 at 2:00 p.m.** at Village Hall, 395 Magnolia Road, Pinehurst, North Carolina.
2. **Asphalt Mix** – To be consistent with previous Village of Pinehurst resurfacing projects, asphalt mix for this project must be virgin mix asphalt and not a recycled mix. Contractor shall submit a mix design to the Village Representative for review and approval prior to beginning work on this project.
3. **Clarification regarding Structural Adjustments of Manholes and Valves** – cast iron risers will be allowed for adjustment of manholes and water valve boxes.
4. **Bid Item 6, Sewer Manhole Lid Alterations**, this item is included for the replacement of any lids that are not compatible with risers installed to adjust manholes. Replacement of specific lids shall be approved in advance by the Village Representative.
5. **Special Provisions, Item 25, Utility Adjustments**, this provision relates to any broken manholes or boxes that are damaged due to the actions of the Contractor. If broken manholes or boxes are discovered by the Contractor during the course of the project that are not due to the Contractor's actions, the Contractor shall notify the Village Representative immediately to discuss the proper course of action to proceed. Any work

performed by the Contractor that is not approved in advance by the Village Representative is subject to non-payment.
