

PINEHURST SPY KIDS

HALLOWEEN EDITION

Pinehurst spy kids, we need your help! It looks like someone is playing a trick on us this Halloween by hiding a secret message at Rassie Wicker Park. Our Parks & Recreation staff need your help finding all the clues!

Search high and low for paper clues on the trails at the Rassie Wicker Park. Each Halloween symbol matches a letter that you need to decode the message. You will need to explore the entire park and all the trails to make sure you do not miss any clues. Be sure to maintain appropriate social distance while you investigate and please don't touch or remove the clues!

Once you have figured out the message be sure to visit the Village of Pinehurst Facebook event page and post that you have solved the crime! DO NOT give away the answer online, we want to keep the fun going and give everyone a chance to figure it out. Bring your completed game sheet to the Cannon Park Community Center during business hours (Monday - Friday from 8:30am-5pm) and show our staff! Decoding the message correctly will earn you a special Halloween treat!

This mystery will be available from October 16 - November 1. Last day to pick up your Halloween treat is November 2. Use the following game sheet to solve the message!

PINEHURST SPY KIDS HALLOWEEN EDITION

Search the trails at Rassie Wicker Park to help our Parks & Recreation team decode this message. Bring your finished spy kids game to the Cannon Park Community Center during business hours by November 2 and show our staff to earn a treat!

Community Center business hours are Monday-Friday 8:30am-5pm

WHAT DO YOU CALL A WITCH THAT LIVES AT THE BEACH??
