MEMORANDUM

TO: Prospective Bidders

FROM: Mike Apke, P.E.
Public Services and Engineering Director

SUBJECT: Addendum # 1
2022 Annual Street Resurfacing & Improvements
Village of Pinehurst

The following information will serve as Addendum #1 to the referenced bid package. **Please review all items, sign in the appropriate spaces at the end of this document, and include this document/acknowledgement in your bid submittal.** The bid opening for this project remains scheduled for **Tuesday, August 31st, 2021 at 2:00 p.m.** at Village Hall, 395 Magnolia Road, Pinehurst, North Carolina.

1. **Patching Depth** – To clarify, Contractors shall assume a patching depth of 3-inches as noted in Item 2 in the Itemized Proposal Form. In cases where patching greater than 3-inches is needed, the Contractor and Village will negotiate a price adjustment prior to proceeding with the work.
2. **Asphalt Wedge Curb** – To clarify, per Special Provision 15, existing asphalt curbing shall be removed and reinstalled on streets to be resurfaced. The curbing will be included in the measurement for the total road width and paid in accordance with the unit price for Item 1 in the Itemized Proposal Form. No separate payment will be made for the curb.
3. **Straight Seal**, Please eliminate the reference to “Straight Seal” in Special Provision 6.
4. **Schedule and Seasonal Restrictions** – the Village intends to take the successful bidder to Village Council for approval on September 14th, and issue a Notice to Proceed in early October to begin the 120-day contract time. Construction is allowed within the DOT seasonal restriction period of December 15th to March 15th, provided that weather conditions are acceptable as determined by the Village. The seasonal restriction period is not included in the 120-day contract time; therefore all work is expected to be completed near the end of April 2022. The specific completion date will be identified on the Notice To Proceed.
