* Right of Way (ROW) – See reverse for more information

RIGHT OF WAY (ROW)

The Right of Way (ROW) is defined as an area owned or maintained by the Village, the state, a public utility, a railroad, or a private concern that extends beyond the road into what residents may consider to be their property. Facilities found in this public ROW often include utilities, railways, sidewalks, greenways, and roads. The amount of ROW varies depending on the street.
