When taking measurements, the measuring official will ensure no significant ambient or contributing noise is present, or will measure ambient and contributing noise levels separately when the offending noise is silent so that they can be subtracted);

(2) The keeping of any animal or bird which makes frequent or long continued sounds, that a reasonably prudent person would recognize as likely to unreasonably disturb persons in the vicinity;

When taking measurements, the measuring official will ensure no significant ambient or contributing noise is present,

(5) The creation of unreasonably loud, disturbing sound levels adjacent to any school, educational facility, church or court during their normal operating hours, or within 150 feet of any hospital, which a reasonably prudent person would recognize as likely to unreasonably interfere with the working of the institutions, provided signs are displayed indicating that the area is a school, educational facility, church, court or hospital;

(6) The erection (including excavation), demolition, alteration or repair of any building in any district other than between the hours of 7:00 a.m. and 7:00 p.m. on Monday through Saturday, excluding holidays. This restriction shall not pertain to the following:

When taking measurements, the measuring official will ensure no significant ambient or contributing

noise is present or will measure ambient and contributing noise levels separately when the offending noise is silent so that they can be subtracted).

(C) *Approval of exceptions.*

(1) Persons wishing to engage in activities other than those involving the erection (including excavation), demolition, alteration or repair of any building prohibited by this section may do so when specific written approval is obtained from the village. Written permission shall not be unreasonably withheld and may contain appropriate conditions and restrictions designed to minimize the disruptive impact. (2) In case permission is denied, written permission is provided with conditions unacceptable to the application, or permission is revoked, the applicant shall be entitled to a prompt, informal hearing with the Village Manager or his or her designee, upon submission of a written request.
