

The Pinehurst Harness Track

Centrally located with easy access and lots of parking, the 111-acre equestrian and event facility. A winter training center for harness racing, the track infields also offer space for equine events such as polocrosse and are a perfect venue for concerts, fairs, festivals and other large events as well as for athletics. A permanent outdoor show and riding arena is installed on the infield of the 1/2-mile track for dressage and hunter-jumper competitions.
