

**Village Council Summary of Meeting**  
**February 24, 2015**  
[Meeting Video](#)

- Council approved a resolution reappointing Bob Farren to the Pinehurst Historic Preservation Commission.
- Pat Corso of Partners in Progress presented the Council with an update on the Moore County Economic Incentive Grant Program.
- Wayne Haddock of Pinehurst Homes and Taylor Cooper of the Sandhills Sandsharks presented a preliminary concept plan for the property at the corner of Rattlesnake Trail and Woods Drive for a Sandhills Sandsharks swimming pool complex.
- Council formed a consensus to establish a “No Thru Trucks” sign at the entrance to Lake Hills Road at NC Highway 5.
- Assistant Village Manager, Natalie Dean, presented the FY 2015 Strategic Operating Plan Q2 status update.
- Council reviewed the updated concept plan for the Public Services facility and agreed to discuss this further at upcoming Village Council meetings.
- Village Clerk, Lauren Craig, presented Open Village Hall, the new online civic engagement portal and how the Village plans to use the site to obtain public feedback.
- Under Other Business, Council unanimously approved that the effective date for the elimination of the utility street cut fee be changed from the approved date of July 1, 2015 to an effective date of February 25, 2015 and that any fee currently held by the Village for a utility street cut patch that has not been paved be refunded and that any fee currently owed to the Village for any unpatched street cut be waived with the understanding that Moore County Public Utilities will be solely responsible for patching all utility street cuts within the Village of Pinehurst.
- Mayor Nancy Fiorillo declared March 2-8, 2015 as Multiple Sclerosis Awareness Week in the Village of Pinehurst and directed staff to distribute a press release and proclamation to inform residents.
