- Under the consent agenda, Council approved:
  - A. A resolution reappointing members to the Beautification Committee (Gilley and Koontz)
  - B. Budget Amendments Report
- Council held a public hearing to receive public comment on an amendment to the Pinehurst Zoning Map. The proposed map amendment would change the zoning of the property at 300 Dundee Road to Conditional District R-10 for the purpose of adding a new parking lot consisting of 29 spaces, associated landscaping and walkways. This proposal would also increase the allowable impervious surface on the site from 40% to 55% and sought to allow future phases of development as a use by right versus a special use in the R-10 District.
- Council unanimously approved Ordinance 16-05 Amending the Pinehurst Zoning Map with regard to property located at 300 Dundee Road.
- Council approved Ordinance 16-06 with a vote of 5-0 Amending Ordinance 13-18 to Revise Condition #1 with regard to the Walker Station Development.
- Council approved Resolution 16-05 with a vote of 5-0 Requesting a Speed Limit Change on Hwy 211.
- Council discussed the formation of a Tri-City Task Force to research a southern Moore County YMCA and agreed to participate in it.
- Council unanimously approved Resolution 16-06 waiving special assessment acceleration with regard to five properties located in the Cotswold subdivision.
