

**PINEHURST VILLAGE COUNCIL MEETING SUMMARY:**  
**August 16, 2011 (Work Session and Regular Meeting)**

- Adopted a Credit Card Security Policy.
- Discussed updates to the 2010 Comprehensive Plan. Council took no action.
- Received a report concerning correction of a scrivener's error to the zoning map.
- Discussed a possible text amendment or other action for the Given Library property. Council instructed staff to begin the process to amend the current zoning of the property (PC) to allow museums and libraries by right.
- Conducted a Public Hearing: Amend the Pinehurst Development Ordinance to allow the maximum impervious surface in the Hotel Zoning District to increase to 70%. Adopted an ordinance to affect this change.
- Conducted a Public Hearing: Amend the Pinehurst Development Ordinance to allow open-weave lattices as a decorative element or screening within the building envelope. Adopted an ordinance to affect this change.
- Conducted a Public Hearing: Amend the Engineering Standards Manual to allow for a different signage package at street crossings for the greenway trail. Tabled the proposed ordinance to make this change.
