

**PINEHURST VILLAGE COUNCIL MEETING SUMMARY:**  
**October 11, 2011 (Work Session)**

- Adopted a resolution to exempt the professional architectural services of Stagaard and Chao from NCGS 143-64.31 (Old Fire Station).
- Discussed Village participation in the NC 211 widening project (decorative traffic signals). Consensus of Council was to go forward with decorative traffic signals. They will decide later which type of poles to use.
- Adopted the Village of Pinehurst Thoroughfare Plan.
- Discussed updates to the Strategic Element of the 2011 Comprehensive Long-Range Plan.
- Discussed possible signage changes for Pinehurst South.
- Discussed a text amendment to PDO regarding fencing of pools on lots next to golf courses.
- Heard preliminary report from engineer from Kimley Horn of Raleigh regarding Greenway signage in Historic District.
- Received proposal from citizen regarding service club signage.
