

# Pesticides & Herbicides

## Village of Pinehurst Public Services

700 McCaskill Road, Pinehurst, North Carolina  
(910) 295-5021 [www.villageofpinehurst.org](http://www.villageofpinehurst.org)

Hazardous Household Waste

### Green Guidelines

It is illegal in NC to dispose of Hazardous Household Waste (which includes Pesticides & Herbicides) in sanitary landfills. Disposal in landfills will result in contamination of our drinking water, groundwater, streams, rivers and land across the State.

### Disposal of Pesticides

- The Village of Pinehurst, towns of Aberdeen, Southern Pines, County of Moore and Keep Moore County Beautiful sponsor an annual Hazardous Waste Collection Day at Pinecrest High School in the fall of the year. Call Pinehurst Public Services at 910-295-5021 for information. Watch for a notice in the *Special Recycling & Disposal Events* section of this site.
- North Carolina conducts Pesticides Disposal Programs once every two years in each County. The last collection day in Moore County was April, 2010 at Cardinal Chemical on Rt. 5 in Aberdeen. Please visit [www.ncagr.gov/SPCAP/pesticides/PDAP/pds.htm](http://www.ncagr.gov/SPCAP/pesticides/PDAP/pds.htm) for future Pesticide Disposal Programs in Moore County and the surrounding area.

### Contact Us Regarding Recycling

Please tell us whether this information has been useful, and whether it accurately describes the recycling service voluntarily offered by any Pinehurst Recycling Partner you visited. If you have recycling needs that are not yet covered in the index, let us know. [Click here](#) to send a message to the Village of Pinehurst Public Services Department and the Recycling Committee.

*Thank you for your interest in recycling!*
