## Green Guidelines

Styrofoam packing material takes decades to decompose, and releases petrochemical residue. Cardboard is a primary source of “Post-Consumer Recycled Paper”.

Recycle extra cardboard shipping boxes in good condition, Styrofoam peanuts and pre-formed packing shapes plus “inflated air pillows”.

## General Guidelines

Brown cardboard moving & shipping boxes in good condition are reusable. Cardboard product cartons, especially wine and liquor boxes, are generally not reusable due to USPS and UPS requirements. Packing material such as “peanuts”, “air pillows” and pre-formed Styrofoam blocks are reusable.

## Municipal & County Operations

Village of Pinehurst accepts flattened cardboard in curbside recycling.
