

VILLAGE OF PINEHURST - BIKE AND PEDESTRIAN SURVEY

The Village of Pinehurst is in the process of preparing Comprehensive Bicycle and Pedestrian Plans and would like your input! This survey is intended to obtain information on local bicycling and walking habits, conditions, and needs in order to help guide the plans, which will ultimately produce recommendations to improve bicycling and walkability across the Village. Please take a few minutes to complete the following survey, which will help determine priorities in our community. Please limit one survey completed per household.
