# Given Memorial Library Great Expectations Campaign

Plans are underway to expand the Given Memorial Library and Tufts Archives. There is an ongoing campaign to raise the \$8 million needed for the building expansion and endowment.

Upon completion of the expansion, there will be a separate Tufts Museum, a Donald Ross Archives to better accommodate researchers and golf course architects, a greatly expanded children's and young

adult area and more space for adult non-fiction and fiction. Given Memorial Library will also be the site of the Pinehurst Hall of Fame, which will hold its inaugural event in November 2013. In addition, the building expansion will include a large meeting room that will provide space for various types of events and programs.

From the earliest days, the Village of Pinehurst has had a lending library provided through the benevolence and good will of the Tufts family. In 1964, Sarah Given Larson created this lasting treasure in memory of her parents, John and Irene Heinz Given. With an endowment in their honor, and a gift of land on the Village Green by Richard S. Tufts, the Given Memorial Library was born. Ten years later, the Tufts Archives was created through an endowment from the Tufts Family Foundation and the Pinehurst history museum was added. Now, the Given Memorial Library is almost fifty years old and is a central and beloved part of the Village of Pinehurst.

While Pinehurst's population has grown,

and the library has expanded programming and services, the physical facility has remained unchanged. The library is excited to better serve their patrons, community, and visitors, enriching and enhancing the Village of Pinehurst.

A 501(c)3 non-profit organization that is privately created and funded, the library and archives are not eligible to receive federal or state library monies. The library welcomes all patrons regardless of residency, and charges no card or member fees. If you would like

to make a contribution to the capital campaign and support the library and archives, please make your check payable to the Given Memorial Library Annual Fund (operations) or the Given Memorial Library Great Expectations Campaign (building fund). Mail to: PO Box 159, Pinehurst, NC 28370. This system allows the Village to telephone all or targeted areas of the Village in case an emergency situation requires immediate action. It then delivers our recorded message to a live person or an answering machine, making three attempts to connect to any number.

We recommend that every household in Pinehurst take advantage of this system and sign up as soon as possible. Please re-register with CodeRED if you have added or changed your home or cell phone number, or if you have a new Pinehurst address. To register, visit [www.vopnc.org](http://www.vopnc.org) and select the Customer Service Desk link to find more information on the CodeRED system. If you have any questions regarding this service, please call 910-295-1900.
