

Village of Pinehurst Volunteers Lunch Is On Us Program

Program Highlights and Purpose:

As a way to reward volunteers, all Council-appointed boards and commissions that achieve action plans or achieve high committee performance are eligible for a “lunch is on us” day. Village Managers, in coordination with the Chairpersons and Staff Liaisons, will determine when a board will be rewarded. The board may choose to go out to breakfast or lunch or they may choose to have a meal catered in. Sharing a meal together is healthy for team morale and is a way the Village can show its appreciation for its volunteers.

Submission Process:

Throughout the fiscal year, Chairpersons, Staff Liaisons, the Village Clerk, and Village Managers can recommend a Council-appointed board/committee to be rewarded for their achievements. Quarterly Committee Reports will also serve as a way to identify accomplishments of the boards/committees. A Lunch Is On Us Recommendation Form should be completed and submitted to the Village Clerk. Village Managers will make the final decision on what board/committee to reward.

Reward:

The selected board/committee will be rewarded with a breakfast or lunch that the Staff Liaisons, in collaboration with the Village Clerk, will coordinate. Every Council-appointed board/committee is eligible, but may not be rewarded every year.
