# TRADITION *and* EXCELLENCE

## IN A VENUE LIKE NO OTHER

*Few facilities are as inspiring as this historic Mission-style barn tucked in the middle of the oldest continuously operating equine sports complex in the state. With its soaring 2½-story ceilings and dramatic wooden scissor trusses, the rustic, light-filled Fair Barn is the ideal space to inspire you. Originally designed as an exhibition hall for the Sandhills Fair in 1917, The Fair Barn is now the premier public indoor venue in the Sandhills. Regardless of the type of event you are planning, The Fair Barn provides an extraordinary environment, exceptional service, and an unparalleled experience you won't soon forget.*
